Annual Membership Program

Welcome to the Revolution! Ballroom Revolution is a revolutionary new way to teach, learn, and perform Social and Ballroom dances. Your interest in learning how to dance with another human being and your enthusiasm for the Ballroom Revolution lessons, workshops, classes, and activities is what keeps this Revolution alive and growing. Thank you!!

An Annual Membership is not required to enjoy Ballroom Revolution. Lessons can still be purchased individually or in smaller packages. But as a special "Thank you!" I'm offering an Annual Membership Program for those who'd like to lock in savings and benefits throughout the year.

Below is the standard Annual Membership Program. Personalized programs can be created at your request.

- Save up to \$10 on every private lesson! (Minimum 45 lessons per 12-month period.)
- Add extra lessons at the same low member rate
- All workshops 30% off at \$20 per workshop
- 4 free dances within a 12-month period
- Automatic quarterly payment program

The total annual cost for a membership program is \$2340. Annual members who regularly attend workshops and dances will save up to \$610 per year!

Once you become an annual member, payments of \$585 can be made quarterly through the automatic payment plan.
